"...In a world where questions often arise regarding the honesty of organizations, we fully stand behind this ministry of integrity and vision. The vast majority of Christians are all but totally ignorant of what happened to the Jewish people in history and the culpable involvement of the Church... those pages of history Jewish people have committed to memory. May the future pages of history reflect the love of Zion from the Church worldwide through God's anointed ministry of The Cyrus Foundation."

– Ray and Sharon Sanders, Directors,
Christian Friends of Israel, Jerusalem

"The last words of the Hebrew Bible are spoken by King Cyrus of Persia; 'Anyone of His people – may the Lord his God be with him, and let him go up.' [i.e., let him make Aliyah] (II Chron. 36:23). We consider it an honor to partner with the Cyrus Foundation, in the spirit of Cyrus, to help facilitate the return of the Jews to their homeland that God promised by covenant. The time has come to focus our finances, efforts and prayers on the over 6.5 million Jews in the Americas. The Cyrus Foundation has been birthed for such a time as this."

"I will assemble the outcasts of Israel... from the four corners of the earth."

GOD IS RESTORING ISRAEL IN FULFILLMENT OF HIS WORD.

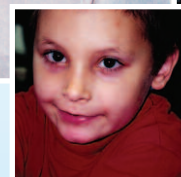

Just as in the days of King Cyrus, God is fulfilling His promises to Israel and the Jewish people in a way that is unprecedented. All over the world, Jewish hearts are being stirred by God to return to their covenant land in fulfillment of Bible prophecy. Over 6,000,000 Jews now live in their homeland...Israel. The Church has been called to be the "Cyrus" of our day. Isaiah 11:12, 44:28, 45:1-4,13.

*"I will gather you from
the West."* — Isaiah. 43: 5

"The decision for our family to move to Israel did not come lightly but it is a blessing beyond description and been our lifelong dream...we knew we would receive a small grant from the Israeli government for the first year, but our biggest concern is getting there. Shipping costs were much higher than we anticipated and we just cannot pay them. Can you help us?"

– The Miller Family, Denver, Colorado
Through the Cyrus Foundation we were able to ship their container to Israel. They are now happily living near Tel Aviv.

Now many Jews are wanting to move "home" from the West. The Cyrus Foundation, a non profit, tax exempt, Christian foundation, directed by Bart and Deborah Kellogg along with other ministry leaders, is helping to make it possible for Jewish people in North, Central and South America and other nations in the "west" to return to Israel and make it their home once again. Our Purpose is to:

- ✓ Show our love and support to Israel,
- ✓ To encourage Aliyah (Jews making their home in Israel) by supplying information and assistance,
- ✓ Provide financial help with shipping or travel costs to those in need who are making Aliyah,
- ✓ Provide practical help for new immigrants,
- ✓ Connect immigrants with organizations in Israel that can help with jobs, practical needs and supportive relationships.

WHY SHOULD WE HELP?

In fulfillment of Bible prophecy, the Church is to be a integral part of this promised restoration of Israel. The Bible states clearly that Christians, in the nations, have a responsibility to be a part of bringing His people back to Israel. For example, Isaiah 49:22 says specifically, *"I will beckon to the Gentiles, I will lift up my banner to the peoples; they will bring your sons in their arms and carry your daughters on their shoulders."* We have a calling to comfort, pray and provide for the Jewish people as they make their way back to their homeland and settle. Isaiah 14: 1-2, 43: 5-6, 40:1-2, Jeremiah 31:7-8, Psalm 102:13-16.

"Your personal integrity and love for Israel and the Jewish people is a shining example to all Christianity and, in fact, to all mankind... It is my belief that many more North and South American Jews will come to Israel if they have additional help in immigrating. I am excited that the purpose of the Cyrus Foundation is specifically to fulfill this."

– Eliezer Braun, International Director of Shuva Israel, Israel, former representative of Israel Consulate/Jewish Agency Aliyah Department, Los Angeles.

"...We want to express our profound appreciation for your help in providing for my family to make aliyah to Israel. This was a tremendous provision for us, the costs to make aliyah were overwhelming... your assistance lightened our burden."

– Barry, Beth and Talli
